IN THE MATTER OF THE PRELIMINARY DETERMINATION OF THE
ANTI-DUMPING INVESTIGATION
RELATING TO WHEAT FLOUR IMPORTED FROM TURKEY
(ANTI-DUMPING CASE NO. 14-001)

Philippine Association of Flour Millers, Inc.
Petitioner

ORDER

The Philippine Association of Flour Millers, Inc. (PAFMI) has filed a petition with the Department of Agriculture (DA) for the imposition of an anti-dumping measure against wheat flour imports from Turkey. PAFMI claims that "local flour millers have been on the losing side of the battle against Turkish flour which is being dumped in domestic market at prices even lower than their cost of raw material which is wheat".

The period of investigation for dumping determination covered import transactions from January 1, 2011 to December 31, 2011. However, for the injury determination, the period covered was for the years 2010-2011.

WHEREFORE, IN VIEW THEREOF, the Department of Agriculture pursuant to RA 10122 found after preliminary determination, an affirmative finding that there is a causal link for PAFMI for the imposition of anti-dumping duty against imported wheat flour originating from Turkey.

As a consequence thereof, the corresponding provisional anti-dumping duty in the form of a cash bond will be imposed for a period of four (4) months from the effectivity of this Order on importation of wheat flour from Turkey.
