Nolu Sokak No:6 Şehitkamil - GAZİANTEP Faks: 0 (342) 211 05 09)

Dünya Ticaret Örgütü (DTÖ) Sağlık ve Bitki Sağlığı Önlemleri Komitesi'nin 66. Olağan Toplantısı 30 Haziran-1 Temmuz 2016 tarihlerinde gerçekleştirilmiştir.

Söz konusu toplantıda AB yetkilileri tarafından DTÖ Sekretaryasına yapılan bildirim çerçevesinde Avrupa Gıda Güvenliği Otoritesi (EFSA) resmi internet sitesinde inceleme süreci halihazırda planlanmış olan aktif madde listelerinin yayımlandığı bilgisi edinilmiştir.

Söz konusu aktif madde listelerinin birincisi "geçici süreç" olarak adlandırılan prosedüre göre 2016 yılında ve 2017 yılının ilk çeyreğinde inceleme sürecine tabi listedir. İkincisi ise "gelecekteki süreç" olarak adlandırılan prosedüre göre daha sonra değerlendirilecek olup 2017 yılının ikinci çeyreğinden itibaren başlatılacaktır. Söz konusu tablolarda yer alan üçüncü sütunda her bir aktif maddeden sorumlu raportör üye ülke yer almakta ve söz konusu ülkelerin ulusal temas noktalarının listesi EFSA resmi internet sitesinde yayımlanmaktadır.

Bahsi geçen inceleme sürecine tabi aktif madde listeleri EFSA resmi internet sitesinde Ek B.2 ve Ek B.3 olarak yayımlanmakta olup ilgili listeler ekte iletilmektedir.

Ayrıca, her bir aktif maddeden sorumlu raportör üye ülkelerin ulusal temas noktalarının bulunduğu liste Ek-2'de iletilmektedir.

Bilgilerine arz/rica ederim.

Ali Recep NAZLI

- (a): MRL review under the interim process was already finalised for this active substance.
- (b): Completeness check under the interim process was already finalised for this active substance; there is no longer any possibility to provide further data.
- (c): Although this active substance needs to be treated with high priority, EFSA needs to await finalisation of the confirmatory data process before proceeding with the MRL review. It is therefore likely that this substance will be moved further down the list.
- (d): Although this active substance needs to be treated with high priority, EFSA needs to await submission of data by the RMS before proceeding with the MRL review. It is therefore likely that this substance will be moved further down the list.
- (e): EFSA needs to await the outcome of the renewal of the approval before proceeding with the MRL review for this active substance. It is therefore likely that this substance will be moved further down the list.

- (a): EFSA needs to await the outcome of another assessment before proceeding with the MRL review for this active substance (renewal of the approval, confirmatory data for the approval, assessments in other food sector area,...). It is therefore likely that this substance will be moved further down the list.
- (b): A decision on approval or non-approval of these active substances was not yet taken; they were therefore not yet formally included in the MRL review program. However, as these substances are pending a decision by the European Commission and Member States, it is likely that they substances will be added to the MRL review program in the future.
